

A close-up photograph of a metal hinge mechanism, likely a door hinge. The hinge is made of a dark, textured metal. It features a mounting plate on the left with two circular holes for screws. A hinge arm extends to the right, also featuring a circular hole and a slot. The hinge is shown in a partially open position, revealing the internal mechanism.

F3683 108 1

- S = spessore fianco
- D = copertura dell'anta sul fianco
- T = spessore massimo dell'anta
- K = distanza foro cerniera dallo spigolo dell'anta
- A = aria tra anta e anta
- L = aria tra spalla e anta
- H = altezza base di montaggio
